## Riverside Fields-Bluffs Park Neighborhood Park Meeting Follow-up

Come and discuss the revised option for the City's park near Foothill Trail and Crossings Blvd.

The City is creating a concept design for the entire park parcel that will be constructed in phases. Phase I will only include the playground in 2011. Phase II will be the amenities determined for the parcel of property the City currently owns and will be built at a later date. Phase III will be the amenities identified to the west and will be built when that development is constructed.

This park has been identified in the City's Capital Improvement Program for "Active Uses," and the concept design may include: ball fields, ice skating, hockey, parking, and supporting structures.

On March 8<sup>th</sup>, the City presented a concept plans to the park neighborhood. Due to issues with the mailing list, we are scheduling a 2<sup>nd</sup> follow-up meeting to discuss the proposed concept plan.

**Wednesday, March 16**

**6:30 p.m. to 7:30 p.m.**

Eagle Creek Elementary School Cafeteria  
6855 Woodward Avenue, *(use the lower entry)*

There will be a short presentation at 6:30  
with Q & A time afterward.

If you require auxiliary aids or services to participate or communicate in the meeting, please contact Parks and Recreation at 952-233-9500/TTY 952-496-4122, 72 hours prior to the meeting time to make a request. Examples may include: sign language interpreter, assistive listening device, large print agenda, etc.
