																		Bigger parking area	
																		I prefer in/ out parking	
		PLAN/ LAYOUT	15	Centrally located for single family homes	1													In/Out parking is too close to residential homes in SE corner (1a)	
				Closer to Westchester homes not town home	3												GAZEBO SHELTER	Bigger shelter by playground	
				Nicer layout (1a)	2												4	More covered shelters	
				Layout is more realistic	2													Fountains and gazebos lovely features	
				Cluster of activities to north (2a)	2													Storage shed for CERT	
				User friendly	5												OTHER COMMENTS	Elevation changes to switch things up	
																		3	no phasing
																			Focus more on neighborhood not organized leagues
																		COMPLIMENTS	Looks great-nice job
		TRAILS	4	Trail (3a)	3													3	Great planning
				Trails connecting	1														Look Forward to enjoying with family
																		UNIQUE IDEAS	Snow removed from streets be put in an area for a big sledding hill
																		2	Consider approaching local townhouse board of dir. For capitol investment since park is enhancing value
																		BALL FIELDS	Get rid of middle ball field and replace with shelter/bathrooms for 1st come usage for family gatherings
																		2	2 baseball fields-unnecessary
																		WATER	What about a pool?
																		2	water fountains
																		PLAY EQUIPMENT	Love the challenge features-rockwall cable
																		2	Consider natural structures/playgrounds that aren't eyesores
																		BUFFERS	Gates in fence for residents who border park
																		2	Build a buffer between residential and activity
																		QUESTIONS	What lighting is in the basic plan?
