Together Time Music

Enjoy quality interaction with your child(ren) through musical play. Sing, move to music, play simple instruments, explore music through songs, dances, rhymes and finger wiggles. Activities are designed to increase your child's curiosity about music and to promote the development of language, listening, basic timing and social skills. Research has shown that children are most open to learning music between the ages of birth to age 5. Classes are fun and informal. Each family receives a set of Music Together ® materials: Two CD's, songbook and parent handbook.
