

Princess For A Day

If you have ever dreamed of being a princess like Cinderella, Snow White, Jasmine or Belle ... come dressed in your princess dress or party outfit and meet our Miss Shakopee Royalty. Queen Molly and Princesses Kelly, Megan, Brooke, Samantha & Kinley invite you to become a "Princess For A Day". On this special day, we will have a Royal Tea Party with dancing, games and other fun activities. The royalty will help you make your very own sash, read princess stories, teach you princess manners and play fun princess games. After earning your crown, you will have the opportunity to pose for a Princess picture that you can take home with you! The day would not be complete without a Red Carpet Award Celebration! *Parents, you will want to bring your cameras!* Be sure to invite your princess friends to join in the fun and you may even find new friends while you are here! *Parent should plan to attend if participant is age 4-6.*

Start Smart Baseball

Start Smart Baseball is a developmentally appropriate introductory baseball program for children 3-4 years old.

The program prepares children for organized tee ball in a fun non-threatening environment. Age appropriate 'soft' equipment is used in teaching throwing, catching, batting, running and agility. Parent-child groups perform motor skill tasks that gradually build confidence. As children show improvement, the skill stations are altered so that each child remains challenged. Parents spend quality time together with their child while learning how to properly teach and support them in sports.

This is a very introductory developmental program that focuses on basics (not meant for advanced skill sets). Note early registration deadline due to equipment order.
