

## *What is the Shakopee Police Citizen Academy?*

This is a four week program designed to provide residents insight on the inner working of the Shakopee Police Department.

The program places emphasis on “hands on” training; whereby lecture is kept to a minimum. For example, citizens will make shoot/no shoot decisions in simulated exercises; make high risk traffic stops; conduct a crash scene investigation; role play in domestic disputes; and process a drunk driver.

The Citizen Academy has been designed to be a fun, learning experience for both our “cadets” and our presenters.

## *Who may attend?*

Academy space is limited. Participants must be at least 18 years of age and either live in Shakopee or own a Shakopee Business

## *Who are the presenters?*

## *Why is the Police Department providing the Academy?*

In our effort to make Shakopee a safe and fun place to live and work, we constantly strive to enhance our relationship with the community.

To strengthen our partnership with the community, the Shakopee Police Department Citizen Academy will provide participants the ability (through practical application) to gain perspective on the many challenges faced by law enforcement officers.
